TC-036	Verify checkout page	Product in cart
TC-037	Verify checkout authentication	Product in cart
TC-038	Verify address entry	Logged-in user at checkout
TC-039	Verify address validation	Checkout opened
TC-040	Verify payment page	Valid checkout details

TC-041	Verify invalid payment details	Payment page opened
TC-042	Verify order placement	Valid cart and payment details
TC-043	Verify order confirmation	Order placed
TC-044	Verify order history	User logged in
TC-045	Verify order details	Previous order exists
TC-046	Verify About Us page	Website opened
TC-047	Verify Blog page	Website opened
TC-048	Verify wishlist functionality	User logged in
TC-049	Verify website on different screen sizes	Website accessible
TC-050	Verify session after login	User logged in

PROJECT NAME :SHOPIFY

PROJECT CREATED BY:SREE PARVATHY S

PROJECT VIEWED BY :NEHA P

TEST DATA	TEST STEPS
https://sauce-demo.myshopify.com/	Open website URL
https://sauce-demo.myshopify.com/	open home page url
https://sauce-demo.myshopify.com/Home, Catalog, Blc	Click each navigation link
https://sauce-demo.myshopify.com/account/login	Click Log In
mailto:invalid@email.com	Enter invalid email and password
Wrong password	Enter email and wrong password
Blank fields	Click Sign In without entering data
abc@	Enter invalid email format
Password123	Enter password
Registered email	Click Forgot your password
N/A	Click Sign Up
Valid user details	Fill all required fields and submit
Blank fields	Submit empty form
user@	Enter invalid email
Existing email	Register using existing email
N/A	Click Logout
https://sauce-demo.myshopify.com/collections/all	Click Catalog
N/A	View product listing
https://sauce-demo.myshopify.com/collections/frontpa	Click a product
Product image	View product imag
https://sauce-demo.myshopify.com/collections/frontpa	Check displayed price
Product	Scroll to description
https://sauce-demo.myshopify.com/collections/frontpa	Enter product name in search
abc123	Search for unavailable product
Blank	Click search without keyword
Category	Select a category
Price	Select sorting option
Price/category	Apply filter
Product	Click Add to Cart
N/A	Click My Cart
Quantity = 2	Increase product quantity
Product	Click Remove
N/A	Remove all products
Product price × quantity	Change quantity
Product	Click Checkout
Guest user	Click Checkout
Valid address	Enter shipping address
Incomplete address	Submit incomplete address
Payment details	Select payment method and continue

Invalid details	Enter invalid payment information
Valid order	Complete checkout
Order ID	Complete payment
Previous order	Open order history
Order ID	Open an order
https://sauce-demo.myshopify.com/pages/about-us	Click About Us
https://sauce-demo.myshopify.com/blogs/news	Click Blog
https://sauce-demo.myshopify.com/#sauce-show-wish	Add product to wishlist
Desktop/mobile/tablet	Open website on different screen sizes
https://sauce-demo.myshopify.com/account/login Valid	Login, navigate pages, then return to account

EXPECTED RESULT	ACTUAL RESULT
Website should loads without errors	Not Executed
Home page should be opened	Not Executed
Correct page should opens for each link	Not Executed
Customer Login page should be displayed	Not Executed
Appropriate error message should be displayed	Not Executed
Login should fails with error message	Not Executed
Validation messages should be displayed	Not Executed
Email validation message should appears	Not Executed
Password characters should be masked	Not Executed
Password recovery page/process should open	Not Executed
Registration page should open	Not Executed
Account should be created successfully	Not Executed
Required-field validation should appear	Not Executed
Validation error should be displayed	Not Executed
Duplicate email error should be displayed	Not Executed
User should be successfully logged out	Not Executed
Product catalog should open	Not Executed
Available products should be displayed	Not Executed
Product details should be displayed	Not Executed
Correct image should be displayed	Not Executed
Correct product price should be displayed	Not Executed
Product description should be displayed	Not Executed
Relevant products should be displayed	Not Executed
No-result message should be displayed	Not Executed
Appropriate response should be displayed	Not Executed
Products belonging to category should appear	Not Executed
Products should be sorted correctly	Not Executed
Matching products should be displayed	Not Executed
Product should be added to cart	Not Executed
Cart page should display selected product	Not Executed
Quantity and total price should update correctly	Not Executed
Product should be removed from cart	Not Executed
Empty cart message should be displayed	Not Executed
Total amount should be calculated correctly	Not Executed
Checkout page should be open	Not Executed
User should be asked to log in if required	Not Executed
Address should be accepted and saved	Not Executed
Validation message should be displayed	Not Executed
Payment process should opens successfully	Not Executed

Appropriate error message should appear	Not Executed
Order should be placed successfully	Not Executed
Confirmation message/order ID should be displayed	Not Executed
Previous orders should be displayed	Not Executed
Correct order information should be displayed	Not Executed
About Us page should open correctly	Not Executed
Blog page should open correctly	Not Executed
Product should be added to wishlist	Not Executed
UI should adjust correctly without overlap	Not Executed
User session should remain active until logout/session expires	Not Executed
